GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

FOR OFFICIAL USE ONLY

Coronavirus Disease 2019 (COVID-19) Situation Report
March 25, 2020 – 1900 hours
Report No. 28 (CHHS/Cal OES Joint Report)

Confidentiality Notice

This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the CDPH or Cal OES Executive Offices.

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

Situation Overview

- **FEMA-4482-DR-CA:** On March 22, 2020, the President approved Major Declaration FEMA-4482-DR-CA (DR-4482) for the COVID-19 Pandemic.
- **Executive Order N-33-20:** The California State Public Health Officer and Director of the California Department of Public Health is ordering all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operation of the federal critical infrastructure sectors.
- **Global Health Advisory:** The U.S. Department of State issued a Global Health Advisory at Level 4 (Do Not Travel) due to the global impact of COVID-19.

Confirmed Global COVID-19 Cases - per Worldometers COVID-19 Live Updates as of 1400 on March 25, 2020:

- 463,412 (+45,749) confirmed cases in 196 (+1) countries
- 20,912 (+2,307) Deaths

*No longer reporting China separately

Confirmed United States COVID-19 Cases - per Centers for Disease Control and Prevention (CDC) as of 1400 on March 25, 2020:

Number of Cases	Source
584 (+105)	Travel Related
986 (+417)	Close Contact
52,883 (+8,700)	Under Investigation
54,453 (+9,222)	Total Confirmed Cases
737 (+193)	Total Deaths

- Data includes both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan.

Confirmed California COVID-19 Cases by Local Health Department (LHD) (as of Medical Health Coordination Center (MHCC) report on March 25, 2020)

Number of Cases	Local Health Department (LHD)
134 (+38)	Alameda (includes the City of Berkeley LHD)
1	Amador
4 (+1)	Butte
2	Calaveras
131 (23)	Contra Costa

Total	388 (+23)

For a list of County and Tribal proclamations, see end of report.

Legislative & External Affairs

- On March 25, 2020, Legislative Affairs, CDPH, CHHS, FEMA, Small Business Association and other state partners held a call for state, federal and tribal leaders on COVID-19 response. There were approximately 300 participants on the call. In addition, OES, CHHS, California Senate President pro Tempore Toni Atkins and her staff discussed the operational and planning process related to the upcoming docking of cruise ships arriving in San Diego.

Office of Tribal Coordination

- Both FEMA and Cal OES Tribal Liaisons are tracking all tribes that choose to either go direct to FEMA or as a sub-recipient of the State.
- Tribal Affairs will be working with all task forces to ensure a nexus to any issues or concerns for tribal communities.
- The next CA Statewide Tribal Assistance Coordination Group call will be held on March 27, 2020.
- 62 (+6) tribes have closed or will be closing Casino operations.
- 45 (+4) tribes have declared State of Emergencies.
- Indian Health Services (IHS) has joined the Tribal team to assist with Tribal Health Clinics coordination and information on medical supplies.

Office of Access and Functional Needs (OAFN)

- OAFN is working with ESF-8 partners to coordinate the resource request of Personal Protective Equipment (PPE) for hospice workers in Los Angeles, San Bernardino, Riverside, and Orange Counties.
- OAFN is sharing recently published information and guidance from state partners regarding Area Agencies on Aging, Community-Based Adult Services, Social Distancing for Vulnerable Californians, Home and Community-based Service, and other products with local whole community partners.

Office of International Affairs

- Providing status updates of the Grand Princess crew who tested positive and those remaining on the ship to various Consul Generals, including Philippines, Mexico and UK.
- Connected two organizations (New Zealand company and Asian Pacific Island American Public Affairs) to the Cal OES Logistics task force who are offering Personnel Protective Equipment and Supplies.
- Continue to address questions from the Consulates and provide response resource information and a Cal OES Resource Link document.
- Coordinating the repatriation of the passengers, including travel logistics with the Consul General of Japan, Korea and the Grand Princess.

Workforce Development & Surge Capacity	Fridays, 1000 – 1100	California Labor and Workforce Development Agency

*ESF: Emergency Support Function

Advanced Planning Unit (APU)

- [Nothing significant to report as of March 25, 2020.](#)
- APU is developing planning assumptions with the CNG intel team at Joint Force Headquarters to refine modeling based on CDPH requests for information.
- The Advanced Planning template was updated and will be released by COB Friday March 27, 2020.
- Working with CDSS to develop long-term strategy for congregate sheltering under stay at home orders for the upcoming wildfire season.

Communications/Crisis Communications Task Force (ESF 2/ESF 15)

Accomplishments:

- [Collaboration with California Public Utilities Commission \(CPUC\) on establishing mechanisms to validate and track Internet Service Provider \(ISP\) offers.](#)
- [Collaboration with CPUC on tracking the rural broadband deployment status.](#)
- [Follow up with ISPs on getting additional specific details.](#)
- [Coordinated info graphics production.](#)
- [Preparing communication resources for deployment.](#)
- [Continued coordination of public messaging, agency PIO coordination:](#)
 - [Calls, call-outs for all streamed press conferences, recorded video messages from members of the UCG, procured needed emergency operations supplies, monitored social and traditional media, coordinated communication with SOC via PIO.](#)

Cal OES Public Safety Communications

- [Devices are on scene and functioning at the Mobile Command centers at Cal OES.](#)

Corrections Facilities & Corrections Hospitals Task Force

Accomplishments:

- [Anticipation of possible cot requests to implement social distancing and possible medical care locations \(both within the facilities\). No current estimate of quantity or location.](#)
- [Beginning Monday, March 30, 2020, in-service training for the Department of Corrections and Rehabilitation will be suspended until July.](#)

Inmate Patients Testing

Total Tested	Tests Results Pending	Tests Confirmed Positive*
13	72	2 (+1)

*Confirmed cases: California State Prison, Los Angeles County

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

Cybersecurity Task Force (ESF 18)

Accomplishments:

- Developing task force message to deliver to healthcare industry regarding cybersecurity threats and federal and state resources which are available should they need assistance.
- Completed Cybersecurity Threat Brief with COVID-19 content to be delivered on 3/26/2020 to state, local, tribal, academic, critical infrastructure, and public sector partners.
- Conducting analysis on recent phishing campaigns and continuing victim notifications.

Economic Impact/Recovery Task Force

Accomplishments:

- Reevaluating objectives and metrics to specify near term and longer-term progress. Possible metrics include Small Business Association (SBA) applications, unemployment, and information dissemination to stakeholders.
- Continuing to closely monitor Federal stimulus as it will impact our objectives/metrics.
- The Treasurer's Office is fully operational and is closely monitoring cash flow.
- Utilizing the Policy Tracker, which aggregates suggestions received across agencies, including industry specific requests, tax credits/deferment, and access to capital.

Cal OES

- SBA assistance is available to all counties in California.

California Governor's Office of Business & Economic Development (GO-Biz)

- GO-Biz is supporting numerous small business requests for assistance and directing them to available sources of capital or technical assistance.
- GO-Biz will join small business and industry calls to amplify available resources, this will include coordinating with the GO-Biz Entrepreneurship Task Force on outreach.

Fire/Law Enforcement Task Force (ESF 4/ESF 13)

Accomplishments:

- Fire/Law Enforcement is transitioning from a quarantine mission to a security mission for the new alternative care sites.
- Fire/Law Enforcement are working with local partners to make sure that they know about the FEMA cost recovery procedures.
- Law Enforcement is planning security for the Federal Medical Stations throughout the state.

Cal OES Fire & Rescue

- Directed by Executive staff to create a working group to evaluate PPE/medical equipment that been offered to the SOC in support of the mission from the public. Work group created and will start meeting with a vetting process for PPE/medical equipment offers from the public.

California Highway Patrol (CHP)

- CHP operations specific to COVID-19 activities for March 25, 2020 (past 24 hour period), consisted of continuing to assign a uniform manager at the SOC to serve as the Department's law enforcement liaison.

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

California National Guard

- 500 CNG personnel have been requested by CalVol and CHHS to provide humanitarian assistance to augment food distribution through food bank and pantry locations due to COVID-19 disruption of local and volunteer activities throughout the state.
- 250 CNG personnel have activated for emergency staffing levels to support Cal OES COVID-19 response in accordance with the Governor's Order.

Future Opportunities Task Force

Accomplishments:

- [No updates as of March 25, 2020.](#)
- Delineated next steps for new objectives (short term).
- Reviewed new objectives related to short/mid-term planning on critical supply and logistical issues.
- Developing media tracker for future opportunities related to improved government.

Housing and Social Services Task Force (ESF 6)

Accomplishments:

- Business, Consumer Services, and Housing Agency (BCSH) is working with the subcommittee on creative funding solutions to assist homeless services providers with COVID-19 efforts.

Housing

- [Continue outlining strategic planning for rehousing of individuals experiencing homelessness who have been living in temporary housing solutions as a result of the COVID-19 response.](#)

Homelessness Subcommittee

Homeless Population Contingency Planning Through Hotels & Motels - Hospital Surge Prevention

- [Awaiting FEMA approval.](#)
- [Engaging with local human service agencies, public health, behavioral health, Continuums of Care, and emergency operations center directors at local level.](#)
- [Researching reimbursable costs available through Medi-Cal and/or FEMA funding.](#)
- [Working on fact sheet.](#)
- [Workforce Impacts: Coordinating with the workgroup on workforce and how to engage the unemployed and connect to positions in food, hospitality, security at these sites. DSS working with labor workforce development agency to streamline process to connect workers to these jobs.](#)
- [Will finalize new occupancy agreement sample template.](#)
- [Wrap around support: Plan is for locals to staff; if locals are unable to support, they can submit a request for state support.](#)

Access and Functional Needs

- [Working on ensuring accommodations are available for unsheltered homeless with access and functions needs.](#)
- [Working on securing emergency In Home Support Services.](#)

Guidance and Technical Assistance Local Jurisdictions

- [Working on guidance for Cal OES Resource Request Process guidance to homeless providers.](#)
- [Working on guidance out to workforce regarding PPE guidance, prevention and mitigation.](#)
- [Continued county outreach calls to secure hotels/motels.](#)
- [Working on population prioritization recommendations.](#)

3/25/2020

Report Time:

1900

Resources

- Red Cross has made supplies available to the state. Current working in coordination with ARC, FEMA Mass care to identify resource gaps.

Homeless Impact: Housing Unit Summary (as of March 25, 2020)

Total Counties	Hotel Rooms Secured	Trailers Secured	Total Units Secured	Total Units Required
11	4,512 (+492)	283	4,303	55,517

California Department of Social Services (CDSS) Disaster Services Branch

- The Disaster Service Branch has three (3) representatives in the SOC.
- Coordinating with DGS, CDPH, and Cal OES for mass care resources requested by Operational Areas to support COVID-19 efforts

Innovation & Technology Task Force

Accomplishments:

- Working to create additional tabs on the dashboard to include a more operation-oriented data presentation to assist state entity decision makers.
- Continuing to develop an inventory demand tracking dashboard to inform stakeholders of supplies on hand (e.g., hospital beds, masks, ventilators) and identify where additional supplies will be needed in the future.
- Worked with CDPH to collect hospital data from their various data sources and then normalizing them into single data format. This data would be updated on a daily basis and displayed on the dashboard.
- Supported DGS to make a supply inventory control platform that will feed into the dashboard.
- Assisting CDPH with its evaluation to implement mobile device functionality at hospital surge sites that link to a hospital's existing electronic health record system, eliminating the need for manual paper processes.
- Finalized the work with Esri to establish a central hub for Geographic Information System (GIS) layers and to leverage the central data hub already established in Snowflake to support the dashboard.

Logistics/Commodity Movement Task Force (ESF 7)

Accomplishments:

- FMS set up initiation has begun March 25, 2020 for the sites in Santa Clara and Riverside which includes wrap around services.
- The remaining six (6) FMS are being housed at the Stockton warehouse.
- The pharma for the FMS is being housed at the West Sacramento Warehouse.
- The Fresno warehouse began running missions on March 25, 2020.
- Site assessments were done on new warehouse sites in Fontana and Riverside.
- Contract signed for the 3PL company who will be utilized to provide supply chain continuity.
- Site assessment for the docking of the USNS mercy was completed.

Department of General Services

- Procured two (2) pallets of water for the Fresno and Stockton warehouses.
- Working on lease negotiations for hotels and motels.

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

- Continuing to research and procure all medical supplies available.
- Secured purchase of approximately 20 powered air purifying respirators to support North Bay Medical Center with delivery date of March 27, 2020.
- Secured purchase of 5,000 30oz hand sanitizer containers, with estimated delivery window of March 28, 2020 to April 1, 2020.

Mission/Request Tasking

	ACTION REQUIRED	COORDINATING	EN ROUTE	ON SCENE	CLOSED
SOC	3 (-1)	166 (+27)	16 (-4)	42 (+4)	81 (+12)
MHCC	0	35	17	0	231
Total	3 (-1)	174 (+27)	33 (-4)	42 (+4)	312 (+12)

See IAP for SOC Mission/Request Tasking details.

Public Health and Medical Task Force (ESF 8)

Accomplishments:

- Developed tracker for identifying, prioritizing, assessing, retrofitting, equipping, and staffing medical surge facilities.
- Continued drafting Medical Workforce Staffing Surge Strategy in partnership with State stakeholders.

U.S. Navy Ship (USNS) Mercy

- The global Covid-19 Pandemic has prompted President Trump to Declare a Federal Emergency, making federal assets such as the USNS Mercy Hospital Ship available to provide local hospital surge relief.
- The USNS Mercy is scheduled to dock at the San Pedro Cruise Terminal on Friday.
- A media event will be held on the deck of USS Iowa.
- Cal OES Incident Work Team has been deployed to represent the state and Governor Newsom on at the Incident Command Post.
- Coordinating with various local, state, federal and Department of Defense partners on the arrival and continued operation of the USNS Mercy Mission.
- The Incident Support Team participated in the initial principles meeting facilitated by the Los Angeles Port Police, received an overview of the planned arrival and staging of the USNS Mercy and a tour of the Carnival Cruise Ship Terminal.

California Department of Veterans Affairs (CalVet)

- All CalVet residents who are admitted under hardship, readmitted from an overnight acute care hospital stay, or out on leave for greater than 48 hours will be subject to in-room, universal upgrade droplet precautions for 5 days. Vital signs will also be monitoring every eight hours during these 5 days.
- In any CalVet Home where there is not a Public Health order forbidding residents to leave the campus, all residents returning to the Home will be screened for COVID-19 symptoms and have their temperature taken.

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

California Department of Public Health (CDPH)

- The MHCC received approximately **5,728 (+753)** inquiries from local health jurisdictions and healthcare facilities. Inquiries are being forwarded to subject matter experts as appropriate.
- CDPH is coordinating with the Office of the Assistant Secretary for Preparedness and Response (ASPR) to receive resources from the Strategic National Stockpile. The first shipment was received on March 19, 2020 and shipments will continue to arrive throughout the week.

Guidance

- CDPH continues to update the website with the most current information and guidance regarding COVID-19 located at:
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Guidance.aspx>
- CDPH is drafting the following guidance documents:
 - Dentist/Mask Guidance. – Agency discontinued no need.
 - When to go to the Emergency Room (ER) Guidance.
 - Guidance specific to state correctional settings – In review.
 - Guidance for employees working on the disembarking of the Grand Princess. – CDC Federal Mission Guidance used.
- On March 23, 2020, CDC posted additional guidance for specific community settings including:
 - Management of COVID-19 in Correctional and Detention Facilities,
 - Discontinuation of Transmission-Based Precautions and Disposition of Patients with COVID-19 in Healthcare Settings
 - Infection Control Guidance for Personnel at Blood and Plasma Collection Facilities.
- CDC released a PPE Burn Calculator on March 25, 2020. This tool is located at:
<https://www.cdc.gov/coronavirus/2019-ncov/hcp/ppe-strategy/burn-calculator.html>
- Adding self-scheduling tool, automation features and Spanish support coming next week to prepare for broader scalability. Additional features to follow (e.g. more languages).

Healthcare Delivery System

- Women Infant and Children Program (WIC) continues to work with local agencies to identify programmatic and administrative flexibilities that can be implemented in order to continue to serve families expeditiously.
- Center for Health Care Quality (CHCQ) centralized the process for program flex approval requested by health care facilities to manage COVID-19 concerns.
- CHCQ is working to secure Alternate Care Site "Medical".

Emergency Medical Services Authority (EMSA)

- EMSA is working with the California Air National Guard (CANG) to integrate medical and logistics staff with CAL-MAT and EMSA DOC operations. CANG support will bolster medical capabilities at COVID-19 quarantine sites and EMSA DOC planning and resupply operations.
- EMSA is in the process of acquiring **1,010 (+200)** ventilators to support the COVID-19 response.
- EMSA is coordinating the approval of out-of-state medical professionals to practice in California for the duration of the declared emergency.
- EMSA, in collaboration with federal and state agencies, is coordinating placement of Federal Medical Stations to support medical surge related to COVID-19.

Situation Report - Confidential

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/25/2020

Report Time:

1900

Department of State Hospitals (DSH)

- The Governor's Executive Order N-35-20 provides the DSH Director with the authority to waive specific provisions with administrative guidance of certain Health and Safety and Welfare and Institutions Codes for patients committed to DSH for care and treatment.

Department of Health Care Services (DHCS)

- On March 25, 2020, Behavioral Health released additional COVID-19 Updates. These updates can be found on the DHCS website.
- Children's Medical Services (CMS) approved only a portion of California's 1135 waiver requests, while many of the other requests are still pending. DHCS will continue to work with CMS on the remaining items.
- On March 3, 2020, Western Dental & Orthodontics notified DHCS of immediate closure of most of the 225 California dental and orthodontics offices. Offices will be closed from Sunday, March 21, 2020 and re-open on Monday, April 13, 2020.
- DHCS and the California MMIS Fiscal Intermediary will be canceling upcoming provider seminars due to COVID-19.
- DHCS provided language requesting funding through the County Contracted Providers (CCP) to address the rise in acuity of mental health conditions, the increase in substance use, as well as the stress, uncertainty, and impact of social isolation being experienced by Californians. DHCS will be working on a methodology this week to be able to make an estimation of the amount of funding needed.

Office of Surgeon General (OSG)

- Dr. Burke Harris went on air on March 25, 2020, with KGO to talk about stress management and talking to kids about COVID-19. The interview can be found here <https://omny.fm/shows/the-morning-show-with-nikki-medoro/california-surgeon-general-dr-nadine-burke-harris>
- Preparing a second media ask brief to push for social distancing and talking with kids about coronavirus and social distancing for celebrities to share.
- Dr. Burke Harris spoke with the Washington Post on the impacts of isolation on mental health and how to manage stress.

Schools Task Force

Accomplishments:

- More than 1,000 non-standard subscribers have joined the list-serv for CDE's COVID-19 updates: join-covid19-update@mlist.cde.ca.gov.
- CDE released further guidance on serving students with disabilities during physical site closure. Guidance is located at <https://www.cde.ca.gov/ls/he/hn/specialedcovid19guidance.asp>.

Schools Summary (as of March 23, 2020)

Metric	Amount
School Districts Impacted	990
Students Impacted	6.17 Million
Approved Meal Sites for Students	4,400

California Department of Education (CDE)

- CDE is adapting communications tools to serve as a message board that promotes efficient two-way communication between CDE and County Offices of Education, in support of local schools and districts.
- CDE will provide weekly updates to guidance documents each Friday and hold a weekly call for County Superintendents of Schools each Monday at 1400.
- One single-school district remains open.

California Community Colleges Chancellor's Office (CCCCO)

- [Working with Cal OES to begin applying for Public Assistance.](#)
- Established a website for COVID-19: <https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Communications-and-Marketing/Novel-Coronavirus>
- The Chancellor's Office continues to provide guidance to ensure that teaching and learning continues at all 115 community colleges and that students are not penalized academically or financially due to the COVID-19 crisis.
- The Chancellor's Office is hosting weekly webinars focused on updates, guidance and support for dealing with the COVID-19 outbreak.

University of California System (UC)

- [Working with Cal OES to begin applying for Public Assistance.](#)
- UC established a website that compiles public info at <https://ucnet.universityofcalifornia.edu/news/2020/01/ucs-response-to-coronavirus.html>
- The UC Medical System is in need of PPE and are working through the MHOAC system to fill those requests.

California State University System (CSU)

- [Working with Cal OES to begin applying for Public Assistance.](#)
- Requesting guidance on Public Assistance or other financial reimbursement programs.
- Established a website at <https://www2.calstate.edu/coronavirus/>

Transportation and Infrastructure Task Force (ESF 1/ESF 3)

Accomplishments:

- [Commissioner Stanley has instructed his Chiefs to communicate that CHP should not stop truckers to validate their essential work. Might be future issues with local law enforcement stopping truckers for essential worker verification.](#)
- [CalTrans DOC is been activated in response to the CA COVID19 Pandemic.](#) DWR has activated three EOCs for the State Water Project, Flood Operations Center, and the Division of Safety of Dams.
- [Caltrans sent out guidance to its construction contractors regarding the Executive Order on essential workers.](#)
- [Followed up with Caltrans Director Omishakin about MAP-211511 emergency truck size and weight limit exemptions.](#)
- [Secretary Kim is working with CAPA to clarify the definition of essential workers. Under the Governor's Executive Order N-33-20, Port workers in the maritime \(water-side\) sector are clearly defined, but freight at the ports also depends on land-side workers \(goods leaving the ports are brought to warehouses and then to transload centers\). Task force is working with ports to get](#)

examples of how this is causing confusion and provide clarification on the definition of essential workers.

Energy Commission (CEC)

- CEC initiated surveys of refining companies to assess impacts of decreased demand for gasoline and jet fuel. [Initial conference calls scheduled to begin Friday, March 27, 2020](#). Will also determine viability and value of collecting daily fuel production and inventory levels.
- [CEC has published their weekly fuels watch report for the week ending March 20, 2020. Fuel production & inventory data for entire state.](#)
 - Gasoline – production up, inventories slightly lower – both levels near higher portion of seasonal range.
 - Diesel fuel – production & inventories up – at top & near middle of seasonal range, respectively.
 - Commercial jet fuel – production & inventories down – both below bottom of seasonal range.
- CEC staff are monitoring information about natural gas (NG) sector operations, supply and availability. NG production is occurring at record levels, liquefied NG (LNG) exports are occurring at high levels, and staff has seen no reporting of COVID-19 related outages in natural gas industry media. CEC staff is reaching out to NG industry operators and experts seeking more information on challenges that operations are facing and planning for due to COVID-19 and effects.
- MTA providing CEC current and historical ridership and bridge traffic count to assess the potential severity of near-term transportation fuel demand. [Greater San Francisco Bay Area traffic count data supportive of gasoline demand decline estimate of 40 to 50 percent compared to same time last year.](#)

California Department of Water Resources (DWR)

- DWR staff is coordinating with California Energy Commission to provide the task force with the information requested by the task force leads and the State Operations Center (SOC).
- DWR staff has been monitoring information about water sector operations, supply, and availability. There have been no reports of COVID-19 related water infrastructure impacts. DWR staff continues to coordinate with local water managers, Federal operators and external experts to identify challenges they are facing and planning for due to COVID-19.
- DWR staff is working with COVID19 task force to provide State Water Project specific GIS resources and data sets per the task force GIS Data Request for information from CA Transportation & Critical Infrastructure. DWR staff has designated a contact and point of contact for emergency related GIS issues.
- DWR State Water Project operations continue to meet staffing at all points to support critical operations and maintenance.

California Utilities Emergency Association (CUEA)

- All utilities are at essential and critical staffing to meet the public needs, no unmet needs presently.
- Mutual Assistance Agreement is in place to provide the movement of critical manpower from utility to utility to maintain service and staffing levels if needed.
- Following the stay at home order, telecom providers have seen an increase in traffic (voice, short message service, gaming and hotspot usage), and they continue to monitor and manage their networks.

California State Threat Assessment Center (STAC) Critical Infrastructure Protection

- Started targeted inquiries to the critical infrastructure including ports, chemical Industry, and fuels. No immediate needs at this time.
- General survey sent out through the State's InfraGard Chapters; San Diego, Bay Area, and LA have agreed to send it out.

California Department of Food and Agriculture (CDFA)

- Food and Agriculture Critical Infrastructure industries report critical PPE and supply issues. It is anticipated if supplies cannot be procured, impacts to the food production and food supply could be imminent.

Volunteers & Philanthropy Task Force

- Donation and sales requests should be sent to contributions@caloes.ca.gov

Accomplishments:

- Working to streamline a process to receive volunteer requests from counties and foodbanks and match with volunteer resources. Timeline to be determined - need to connect with AmeriCorps and others to find the best point of contact. Standing up a working group specific to volunteers that can serve a broader purpose and meet needs incident-wide if it is a stand alone group.
- Collected data on CalFresh COVID emergency food box deliveries: CalFresh will be distributing 287,281 caches of food directly to food banks across the state. Expected timeline to completion is about 2 weeks.
- Increased National Guard support to Foodbanks from 177 to 240.
- Connected with California Conservation Corps to coordinate support to food banks and associated food distribution networks.
- Developed process to connect mapped needs with mapped assets by working with the mapping/GIS team.
- GIS Team provided updates to the Food Task Force Map and identified the process for deploying assets to meet mapped needs.
- Established Philanthropic Partner Connections with a variety of partners (e.g. Task Rabbit, Sysco, Amazon) to determine food support and delivery capacity.
- Looped in AFN Coordinator assigned to Task Force.
- Began creating processes for data collection and tracking for the Food and Volunteer workgroups.

Food & Supplies Workgroup

Accomplishments (as of March 23, 2020):

- Established two (2) new workgroups:
 - Community-Based Organization (CBO) Food Delivery-Local Operations Workgroup.
 - Senior Food Bank Workgroup.
- In partnership with the California National Guard, establish the process for deploying assets (e.g. California National Guard, AmeriCorps, etc.) to support food banks with packaging food for delivery and volunteer capacity and shortfalls.
- Developed process to connect mapped needs with mapped assets.
- Working with the mapping/GIS team to provide updates to the Food Task Force map.

- Identifying process for deploying assets to meet mapped needs.
- Establishing Philanthropic Partner Connections by connecting with a variety of philanthropic partners (e.g. Task Rabbit, Sysco, Amazon) to determine food support and delivery capacity.
- CDFA is participating on the SOC Food Sector Workgroup to monitor supply chain, critical resource, and transportation needs for the last mile food production delivery systems.

California Department of Food and Agriculture (CDFA)

- [CDFA has developed guidance and resource information for Equine Practitioners.](#)
- [Working with CDPH on guidance for COVID-19 animal testing, to include criteria and response to positive results.](#)
- [Working with CDPH and California Veterinary Medical Board on telemedicine guidance for veterinarians, similar to U.S. Food and Drug Administration guidance.](#)
- CDFA continues mission-critical inspections to ensure food safety and consumer protection.
- The CDFA Agency Representative continues to work with the Cal OES SOC to coordinate food processors and production ag employers needs for essential supplies, such as face masks, plastic gloves, hand sanitizer and food-grade sanitation materials.
- CDFA has issued guidance and best practices for livestock markets during the current COVID-19 pandemic.

Food Distribution Summary (as of March 24, 2020)

Resource	Amount
Foodbanks Open (CDSS Contracts)	48
Foodbanks in Need of Volunteers	30
Requested Volunteer Hours Per Week	20,460
Volunteer Hours Provided	1,700
Number of CA National Guard Deployed to Food Banks	177

Contributions Workgroup

- Resources in process with CDPH
 - [Ventilators, face shields, masks.](#)
- Resources in process with DGS:
 - [154.5 million N-95s](#)
 - 60,000 respirators
 - 1,050 ventilators in process
- Receiving donations of:
 - 21,000 earloop, pleated latex free masks
 - 1,000 N95 masks
 - 5,000 Large and XL nitrile exam gloves
- Alibaba currently working to source resources with specs provided by CDPH.
- Cataloged [180](#) resource procurement and donation focused emails on [March 25, 2020](#).
 - [Identified 197 medical resources emails for analysis.](#)
- Working to develop online form to streamline process to intake offers.
- [Refined process with DGS and Logistics/Commodity Movement Task Force to streamline communication for resource opportunities.](#)
 - [Moved Resource Analysts into the SOC with Logistics/Commodity Movement Task Force.](#)

Workforce Development and Surge Capacity Task Force

Accomplishments:

- Coordinating with Employment Development Department and Cal OES on Department of Unemployment Assistance application.
- Hotel workers/ Hospitality Training Academy (UNITE-HERE): 20,000 members are out of work due to hotel closures with many more working reduced shifts. Los Angeles Mayor's office has asked them to prepare Los Angeles Convention Center to house either National Guard or the homeless.
- Employment Training Panel (ETP) will provide additional time to train and place workers, and earn funds. This may include no cost contract extension, use of alternative retention period, and retention beyond term of contract.
- Hospitality Training Academy will likely request an amendment for additional ETP funds as soon as possible to support teleworking of its members to gain culinary, housekeeping, and disinfecting skills.
- Department of Industrial Relations' Division of Occupational Safety and Health (Cal/OSHA) received an additional 124 complaints, bringing the total count to 470.

Labor and Workforce Development Agency (LWDA)

- Evaluated strategic plan to connect labor supply with in-demand jobs.
- Brought in Business, Consumer Services and Housing and Department of Food and Agriculture to address licensing, homelessness and farmworker needs.
- Created three (3) streams of work
 - High road union labor exchange
 - Job exchange for service needs
 - And food prep as job retention policy

Employment Development Department (EDD)

- EDD is continuing to train redirected staff and outfit them with appropriate program access for unemployment insurance claims processing. This is happening on a flow basis.
- Cementing business rules for necessary IT programming for easing Unemployment Insurance requirements upon claim filing.

Department of Industrial Relations' Occupational Safety and Health (Cal/OSHA):

- Cal/OSHA COVID-19 Guidance for ag Industry submitted to the Joint Information Center for review.
- Cal/OSHA consulted with the Department of Industrial Relations' Division of Labor Standards Enforcement regarding retaliation complaints from hospital workers who attempted to bring respirators to workplaces where the employer did not provide them, or was terminated for telling hospital management it was not following the Cal/OSHA Aerosol Transmissible Disease Standard.
- In light of clarification on the definition of "essential personnel" under the Governor's stay at home order related to the construction industry, reactivating the elevator unit to inspect conveyances needed for certificates of occupancy in all categories of construction.
- Conducting a two-hour training with inspectors and consultation on procedures during compliance or enforcement visits at health care facilities.
- Engaged in resolution of potential lab.

Employment Training Panel

- Shay Sew Shop, a LA company that makes Patagonia garments announced they are re-tooling to make medical masks. They need to train their workers for this transition. ETP Marketing Unit is working with GO-Biz and El Camino Com College contract education to include this training into El Camino's existing ETP contract. In development, more to follow.
- Cepheid, a California company manufacturing COVID-19 Test, was approved for their second ETP contract in December. Staff are gathering more information to report.
- Development of training for Hotel workers (UNITE-HERE) regarding cleaning.

County Reports (reported by MHCC and MRCC)

Calaveras

- County Health and Human Services is gathering information to submit a resource request for wrap around services to establish a shelter for homeless (COVID-19 order from Governor). CDSS is aware.

Contra Costa County

- Contra Costa Health Services is accepting donations of protective equipment and supplies for use by healthcare providers throughout the county.
 - Donation centers will be open Monday-Friday, 100-1400 hours.
 - West County: 151 Linus Pauling Drive, Hercules
 - Central County: 1750 Oak Park Boulevard, Pleasant Hill
 - East County: 4545 Delta Fair Boulevard, Antioch
- COVID19 testing for first responders and health care workers who have not been able to obtain expedited testing through their usual source of care or occupational health provider. The testing is available by appointment only, and only after a telephone screening. Screening line is available daily from 0830-1530 hours at (925) 570-0978.

Del Norte

- Department of Aging has \$44,000 allocated for emergency housing. They have established their criteria for expenditures and qualifications.
 - Additional staffing added to continue the Senior Nutrition Program.
 - Provided 175 seniors with COVID-19 relief kits.
- Call center staffed.
- Hospital preparing for surge and sourcing tents.
- Evaluating hotel space and developing contracts.
- Identifying and assessing housing, feeding, and medication needs of vulnerable populations.

Humboldt

- A grocery store in Eureka opening early to accommodate first responders on shift work.

Lake

- Public health is working on organizing volunteers and continuing to work in collaboration with partners on identifying quarantine sites.
- Increased support staff to assist with answering community questions and documenting concerns.
- Hospitals erecting tents for triage and planning for additional beds.

Los Angeles

- Coordinating donations and volunteers to support various operations.
- Developing and coordinating staffing strategies for new alternate care sites and use of federal assets.
- Housing additional homeless seniors and continuing to seek additional housing and feeding options to place at-risk seniors.
- Conducted outreach to funeral homes and mortuaries to assess morgue capacity in Pasadena as well as provided information regarding burial practices.
- The LA County Department of Mental Health (DMH) providing essential services to DMH clients and working to deploy 70 DMH vans for client transport.
- DMH posted a flyer, "Coping with Stress during Infectious Disease Outbreaks that Require Social Distancing", online in thirteen languages.

Marin

- Regional laboratory back on-line with limited capacity.

Mendocino

- Resource requests filled for two hospitals, one skilled nursing facility, and an ambulance provider.

Mono

- Emergency Operations Center continues to plan for Alternated Care sites and hospital expansion.
- Outside area hospitals no longer excepting critical case transfers.
- Only eight (8) ventilators between Mammoth Lakes and Northern Inyo Hospital.
- PSPS events are an area of concern.

Napa

- Met with acute care hospitals to prepare for surge.
- Priority is identifying an alternative care site (ACS) that could support mass testing identified through an appropriate screening process.
- Established a Centralized Specimen Collection Point in partnership with several healthcare providers at an undisclosed location.

Orange

- All hospitals with emergency departments are operational, but have canceled all non-essential services and are actively preparing for patient surge. Daily hospital census is at 60% capacity.
- Memorandum of Understandings signed by the medical & health system & Operational Area partners for the distribution of non-approved expired N95 masks for use as regular masks.
- A second set of MOUs for ventilator cache approved and will be sent to hospitals the week of March 23, 2020.
- MHOAC resource request sent for 12,000 Nasopharyngeal Swabs & 12,000 Universal Transport Media. The state reported they do not have Test Kits.

Riverside

- Continuing to utilize resource requesting procedures with stakeholders.

San Bernardino

- San Bernardino County Department of Public Health may open a Specimen Point of Collection (SPOC) site on Friday, March 27, 2020 for four (4) hours. The site will not be advertised to the public. The public is being asked to register on the DPH website based on a doctor's referral. The SPOC will be supported by city agencies and county departments. Response is limited due to

limited availability of supplies (specimen collection kits, PPE, etc.) SPH is finalizing the contingency plans for use of PPE by SPOC field staff.

San Diego

- Representatives from 2-1-1 San Diego and the County of San Diego's Aging and Independence Services (AIS) Department continue to coordinate regarding the development of a phone triage system.
- Volunteers from United Methodist Committee on Relief (UMCOR), Team Rubicon, and the Rotary Club met with the San Diego Food Bank (SDFB) leads to develop a standard operating procedure (SOP) for delivering food to seniors enrolled in the SDFB program.
- Coordinating with Rady's Foundation to stand up a Donation Hotline/Call Center to process donation offers.
- Supporting the-Federal Public Health Emergency/Federal Quarantine Site.
- Laboratory testing is being augmented (hospitals, commercial and the SD County Public Health laboratories).

San Francisco

- On March 24, 2020 the Public Health Officers of Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara, with the City of Berkeley, announced an order for COVID-19 lab testing to report more comprehensive testing data to state and local authorities SFDPH site.
- Alternative test site opened on March 24, 2020.
- Community Outreach & Engagement: Determining how to assess food and social service needs for those in quarantine, PUI and COVID+. Work on completing FAQs for workplace/businesses. Working on a plan to screen newly opened shelters.

Santa Barbara

- Office of Emergency Management submitted a request for the California National Guard to support Foodbank Operations and for a Liaison Officer in the EOC.
- County is having difficulty staffing homeless shelter. A resource request has been entered for support. County would like to open additional shelters but do not have staffing capabilities.

Shasta

- Nursing staff are taking calls and providing contact-tracing support. Assessing to increase staffing for the DOC and response. Public Health is communicating with various groups to ensure current guidance provided.

Ventura

- Submitted a request for the CNG to support Foodbank Operations.
- Submitted a CDSS request for FEMA funding for non-congregate housing.

State Agencies / Departments

Business, Consumer Services, and Housing Agency (BCSH)

Alcohol Beverage Control (ABC)

- Postponing April 1, 2020 renewal fees.

Department of Consumer Affairs (DCA)

- **Executive Order (EO) – Licensure Requirements.** Draft DCA EO is with the Governor's Legal Affairs Office. Order would grant DCA authority to waive licensure requirements such as continuing education hours, renewal requirements, telehealth requirements, etc. This would impact doctors, nurses, vocational nurses, social workers, marriage family therapists, and many other health care professionals.
- [DCA will be waiving licensure requirements.](#)

Board of Pharmacy

- Received notice of the temporary closure of additional Kaiser Pharmacies. Working with IT on a solution to update website to reflect this change in status.
- Board of Pharmacy has issued three (3) additional broad waivers in the following areas:
 - Sterile Compounding Renewal Requirements for Facilities Located within a Hospital:
 - The board will not be conducting onsite inspections in advance of renewal of the licenses.
 - Prohibited Acts involving Dangerous Drugs or Devices:
 - Allows for the purchase of drugs from unlicensed entities in the event of a drug shortage. The unlicensed entity must be licensed in the respective home state.
 - Staffing Ratio of Pharmacists to Intern Pharmacists:
 - Increases the ratio to allow for one additional intern under specified conditions.

Medical Board and Board of Pharmacy working on guidance regarding hydroxychloroquine.

- "Doctors Are Hoarding Unproven Coronavirus Medicine by Writing Prescriptions for Themselves and Their Families" Pharmacists told ProPublica that they are seeing unusual and fraudulent prescribing activity as doctors stockpile unproven coronavirus drugs endorsed by President Donald Trump.
<https://www.propublica.org/article/doctors-are-hoarding-unproven-coronavirus-medicine-by-writing-prescriptions-for-themselves-and-their-families>

HHS Office of Health Information Telehealth EO review. CHHS requested DCA to review the executive order draft they have submitted based upon information provided to them from the California Medical Association regarding telehealth, which is in alignment with what was issued at the federal level.

Department of Business Oversight (DBO)

- **Executive Order – Financial & Foreclosure Relief.** The Director is working closely with the Governor's Office on a draft executive order to address mortgage forbearance and foreclosure relief which is being aimed for completion by March 24, 2020. BCSH is working closely to facilitate this Executive Order with draft guidance on evictions that is currently in review by the Governor's Office and the State Operations Center.
